Recently the two largest employers in the County announced major work force layoffs, which will impact many residents of the County. I recommend the Board authorize me to provide job counseling, referral services, and other assistance to the affected employees as well as others who may be affected by any continued or future downturns in our local economy.

I recommend the Board authorize the temporary, up to nine months, reassignment of Mrs. Geraldine Cubbage to the function of Work Force Coordinator.

This reassignment to be effective 5:00 p.m. March 22, 2002, with no change in position, classification, level of compensation, or seniority. While in this function we may continue for her to retain some of her present duties, specifically personnel and property management.

Upon approval for the temporary reassignment the effected employee will receive a written notice of transfer, appropriate training, office location, and other support to enable the employee to provide her service for the reassigned temporary position.
